MORVAL NEWS & EVENTS

I first wish to extend my sympathy to all involved in the recent tragic coach crash, not only the families of the bereaved, but also everyone else involved, including local residents, in what was a very traumatic time.

I would like to take this opportunity to clear up some misconceptions which appears to have arisen following some of the reporting of the incident. During one of the interviews I did state that the A387 speed review had not found a high accident rate on this stretch of road. Copies of this review are available if anyone would like to see them. I also said that there was no history of **serious** accidents and fatalities at this spot which is the case. This road is typical of many Cornish roads, in that it is steep in places and then narrows in other parts so that there is no white line. I, like many of you have driven this road many times, in a variety of vehicles, and know that it needs to be driven with care. I have persistently asked Highways to carry out improvements to this stretch of road, most recently during the recent St Martin's road diversion. This will be confirmed by Members of the Parish Council. I will continue to do so vigorously as I am aware that safety on this stretch of the road is a real concern to many of you.

Having said this it is important not to speculate on the cause of the accident – such speculation is not helpful to either the victims or their families, or indeed, to anyone else involved. We have to await the outcome of the police investigations.

Finally I would like to thank all the residents involved in supporting the victims. It was a very traumatic time. I have written to the Mayor of Exmouth to express my condolences, and similarly to Exmouth Age Concern, whilst thanking those volunteers for organising these excursions.

Jim Candy, Cornwall Councillor for Trelawny division.

PARISH NEWS

Hello Everybody

The parish council held its annual council meeting on the 7th May. Councillor Peter Hunt was elected as the Chair and Councillor Clive Pearn was elected as Vice-Chair.

Portfolio Holders were agreed as follows:

- Roads and Transport - Councillor Chudleigh
- Footpaths and Rights of Way - Councillor Chudleigh
- Planning - Councillor Hunt
- Tourism and Licensing - Councillor Kitson
- Farming and Agriculture - Councillors Dennis and Tamblyn
- Matters relating to Looe - Councillor Pearn
- Education - Councillor Hutchins
- Trenode Field and Lane - Councillor Hutchins
- Widegates "Village Green" - Councillor Matthews

The council has received a positive response to its pre-application submitted to the War Memorial Trust for assistance with having the War Memorial professionally cleaned. It is now required to submit an application proper in order for this request to be considered.

The asset transfer of the "Village Green" has been delayed due to some unforeseen circumstances discovered by Cornwall Council. The parish council has agreed to still go ahead and take management responsibility for the "Green" and is currently awaiting a copy of the terms of agreement for this.

The internal annual audit of the parish council's business has been completed with nothing untoward being raised. The external auditor will now carry out its examination and make any recommendations that it feels necessary. Once this is completed, the relevant documentation will be displayed on the notice board at Sandplace for people to see.

POEM OF THE MONTH

INVOCATION OF THE WELLSPRING OF WENNA

I arise this day
Through the strength of grace and mercy of life's spark,
Born from the dazzling dark
Of the mighty Creator of all Creation,
In the full and certain belief of the threeness,
In the glory of the eternal trinity.

I arise this day
Through the strength of grace and mercy of life's spark,
Knowing the darkling way shall be illumined
By the threefold spirals of light-entrancing grace,
And the shield-strength of Christ's birth and baptism,
And the shield-strength of His Crucifixion and burial,
And the shield-strength of His Resurrection and ascension,
And the shield-strength of His coming and glory.

I arise this day
Through the strength of grace and mercy of life's spark,
Glory of sun,
Brilliance of moon,
Freedom of sky,
Brightness of air,
Shelter of clouds,
Rush of windstorms,
Splendour of lightning,
Majesty of thunder,
Power of fire,
Firmness of mountains,
Fruitfulness of forests,
Sweetness of valleys,
Wealth of earth,
Ceaselessness of sea,
Richness of lakes,
Grace of water.

I arise this day
Through the strength of grace and mercy of life's spark,
Cleansed by the inspiration of the Holy Spirit,
Healed by the manifold and great mercies of the Living Word,
Inspired with songs of everlasting praise:
May I give grace by water,
May I open the gates of glory by water,
May I bring new life and understanding by water,
May I offer hope to the faith-parched earth by water,
May I bless all hearts by water,
May I inspire all minds by water.

I arise this day
Through the strength of grace and mercy of life's spark,
God's wisdom to direct me,
God's hand to shepherd me,
God's might to shield me,
God's eye to protect me,
God's ear to heed me,
God's word to spread,
God's way to seek,
God's Son to follow.

I arise this day
Through the strength of grace and mercy of life's spark,
Born from the dazzling dark
Of the mighty Creator of all Creation,
In the full and certain belief of the threeness,
In the glory of the eternal trinity.

NEIGHBOURHOOD PLAN

A Steering Group has now formed under the auspices of Morval Parish Council to take the Neighbourhood Plan forward.

The first meeting of the newly formed Group is on the 2nd June 2014 at Nomansland Village Hall at 7pm.

A Neighbourhood Plan in its broadest form sets out local planning policies and allocates land for development. At the end of its journey having had to clear many hurdles the Final Plan is approved by the Parish Electorate via a referendum . It is then brought into legal force by the local planning authority and attains the same legal status as the Local Plan.

The steering group would be delighted if more residents of the Parish would join them, thereby ensuring a wide spectrum of views being represented. There will a great deal of support for members of the group to help with their decision making and a great deal of local consultation in order to make sure that the views of the Parish form the backbone of the Plan. The Group will endeavor to use all forms of communication both traditional, modern and innovative in order to reach all corners of the Parish , keep everybody up to date with progress and find out they would like to see in the Plan.

If you would like more information please contact the Chair Mrs. Susan Aunger on 01503 241063. or saunger@live.co.uk.

"I've lots of life in me yet, so why should I bother with Power of Attorney?"

Mental and physical incapacity can hit at any time, which is why it is strongly recommended that we plan ahead to ease the potential burden on loved ones.

We all know that we should write a will, but too few of us know we should also consider something called Lasting Power of Attorney (LPA).

By 2025, more than 1 million people in the UK will have dementia, according to the Alzheimer's Society. One in five people over 85 already suffers from it, with rates significantly higher among women than men. Handling your financial affairs becomes virtually impossible.

An LPA gives somebody you love and trust the legal authority to look after specific aspects of your financial affairs or health and welfare should you lose the capacity to do so. It's not just for the elderly; younger people may become incapacitated at any time through accident or illness.

If you do not have an LPA in place and later become mentally incapacitated, relatives may face long delays and expense in applying to the court of protection to get access and take control of your assets and finances. An LPA is significantly quicker and cheaper.

LPAs are designed to be recognised by financial institutions, hospitals, care homes and local authorities, as well as tax, benefits and pension authorities. They are legal documents that can be set up relatively cheaply. You may consider having one alongside your Will, the LPA to take effect during life and the Will to take over at the time of death.

Have you written a **Will**?

Have you appointed **Lasting Power of Attorney**?

Have you **protected your property** by placing it in a **Trust**?

Do you have a pre-paid **funeral plan**?

Would **equity release** be of benefit or consideration?
