## ***EDITORIAL***

There is a lot of talent in Morval. If you have memories, recipes, gardening tips or stories or thoughts you would like to share please send them to me.

I was saddened to read of the death of yet another teenager washed out to sea in the recent storms. We live in a beautiful but potentially very dangerous area, children need to be reminded of this.

## **PARISH NEWS**

Hello Everybody

The Parish Council agreed on hearing the sad news of the death of Mr William Ough on the 22nd December 2015, that it would like to publicly recognise his commitment to the work of the council as a serving member. Mr Ough was a member for many years whilst his wife Pat was employed as the council's clerk for a similar amount of time. During this time, Mr Ough worked tirelessly to bring benefits to the parish as both a council member and as an individual member of the community. As a member of the Looe Lions, he participated in its charity work for the good of the area. As a younger man, Mr Ough was a member of the Morval football team and as an older gentleman he was always keen to share the vast knowledge that he had of parish life in previous years. The Parish Council would like to express its thanks for the great impact that Mr Ough made to parish life.

During its meeting held in January, the council was made aware by PCSO Cocks of a couple of men travelling around the parish in a white van and offering milk rounds to households. PCSO Cocks advised that anybody approached by these men should report it to the Police as soon as they are able. In addition, a second theft of some ducks has been reported and those with small livestock may wish to be vigilant and report any suspicious behaviour that they witness.

At the same meeting, Cornwall Councillor Candy reported that Cornwall Council is currently looking very carefully at how it is going to preserve its services delivered to vulnerable people and in order to achieve this, it may need to increase the council tax. The Parish Council agreed that it would increase its part of the council tax by 1.5% in preparation for any services devolved to it by Cornwall Council.

The Parish Council looks to resume and progress work that it is currently involved in now that the Xmas break is over.

Regards

***Lynnette Sutton***

Clerk to Morval Parish Council

## ***POEM OF THE MONTH***

### **A Leaf from the Spiral of Trees**

**Birch:** The lady of the woods

Now the days begin to lengthen,  
Solstice time is done;  
Darkness, frostd, sombre-soultime,  
All now is outrun.

Sapwood strengthens, surging herald,  
Most icesilver skin;  
Heartwood magic proudly nurtures,  
Life will now begin.

Beauty-browed and hair so fairbright,  
Pale-trunk, lady tree;  
Delight in all life's new pursuits,  
Joyful to be free.

***Heather Taylor***

## ***TRENODE C OF E VA SCHOOL***

There is always so much to look forward to as we start a new term, especially the Spring Term. We start with the Ellie's Haven Mufti Day and Cake Sale, then Messy Church, Trenode's Got Talent, World Book Day, Red Nose Day and National Science Week, as well as our Easter celebrations at the end of term. The whole school is also off to Plymouth to celebrate Chinese New Year by having lunch at an Asian Restaurant.

As you can see we are keen to give our children the widest opportunities and continue to welcome members of staff from Looe Community Academy to enrich the modern foreign languages curriculum. We are also working with a coach from Plymouth Argyle who is developing a better understanding of health and a healthy lifestyle with our older children. Matt Harrison from the Bournemouth Symphony Orchestra has already visited the school this term and led an excellent Music Day with the children.

We are starting a couple of new clubs this term – Chess Club and Recorders, which we haven't done for a number of years. The children are so excited. We could do with a few more chess sets, so if you have any at home that you are not using then we would love to give them a new home. Similarly, if you have any board games that you don't use any more the children could make good use of them at playtimes. Please pop them in to the School Office.

To find out more about what is happening at school go online and find us at: [www.trenode.cornwall.sch.uk](http://www.trenode.cornwall.sch.uk). We have a new school website, which we hope you will find informative.

## ***CHRISTMAS TREE FESTIVAL***

St Wenna had a very successful festival and made a profit of £201 - 45p. The other positives were substantial We met many new people, one couple were from Redruth. They took the trouble to searched the internet. It was quite heartening that even though few of the community visited, outsiders did. The support and effort of our sponsors was brilliant and the 15 trees were very beautiful. The church looked amazing, and heightened the atmosphere for the Christingle service, Carol Service and Christmas day service. Much thanks goes to Andy Moore for sorting the electrics, Andrew Chudleigh for erecting the outside tree and Kalamazag Garden centre.

## ***WIT AND WISDOM***

When you breathe, You inspire. When you do not breathe, you expire.

Heredity means that if your Grandfather did'nt have any children, then your father probably would'nt have any, and neither would you, probably.
