## ***EDITORIAL***

I would like to thank our printer Richard Kneebone and wish him well in his semi-retirement. Richard has nurtured Outlook for over 15 years, he has given me every help and encouragement and taught me a great deal about the job of Editor. There will be changes ahead for Outlook. The Parish Council will begin discussions at a meeting in early November.

It is sad for the Parish and her friends and family that we have lost Vera Pearse, one of the oldest residents of Morval

## ***PARISH NEWS***

Hello Everyone

The Parish Council agreed at its meeting held on the 5th October to hold a public consultation to enable members of the public to view and pass comment on the research provided by its clerk. The research suggests that the information initially received about one of the gentlemen named on the War Memorial is not related to him and refers to another gentleman entirely. The consultation period began on the 11th October and will end on the 24th November, 2016. Any person wishing to view the clerk's research should contact her so that an appointment can be made.

In addition, the council also agreed that the clerk should continue her research as there is a tiny chance that the gentlemen concerned has surviving family currently living abroad. Once the clerk has completed this research and the consultation period is complete, the council will consider a request received from the local family to have the gentleman's name altered on the War Memorial.

The council is looking to collate information about incidents involving vehicles travelling at speed through either Morval or Nomansland. Any person with any information on such incidents can contact the clerk and of course, the Police so that they become part of official figures.

The Parish Council is aware that rubble has been dumped on the verge alongside the main road through Widegates. Cornwall Councillor Candy will take steps to have it removed.

A positive letter has been received from Hastoe that indicated that Cormac is being commissioned to carry out all of the outstanding work required at Shortacross View. The Parish Council will continue to work towards bringing this matter to a positive conclusion.

St. Martin's Parish Council has agreed not to continue with having a shelter erected on the opposite side of the road from Bindown Stores at Nomansland as unfortunately, it was unable to have the shelter facing the way that it wished. Morval Parish Council will go ahead therefore, and

### ***Parish News continued.....***

have the bus stop on that side of the road moved to a safer location whilst having a shelter erected at the bus stop on the Bindown Stores side of the road.

Parish Council meetings start at 7.00 pm now that the darker evenings are with us.

Clerk to Morval Parish Council

### ***WIDEGATES GARDEN CLUB***

September meeting was a talk and slide show on bulbs through the year given by Mark Wash from Trecanna Nursery. The slides showed some beautiful blooms flowering every month of the year from snowdrops to colchicums. We think of all the different bulbs that flower in the spring but have you thought of the colchicums that flower in the late autumn, cyclamen that flower from autumn to spring; winter aconites , crocus, anemonies and their species that add colour to your garden during a dull time.

Now is the time to get your spring flowering bulbs planted; wait until November for your tulips as they have a habit of rotting if planted too early. If planting in pots remember to put plenty of grit in the compost to aid drainage. Most bulbs are quite happy to stay in a pot for two years then plant them in the garden, I do before they die down, because they suffer from basal rot if the pot is too wet. Have you thought of tier planting in pots biggest bulbs on the bottom layer and crocuses on the top so that you have a succession of flowers in one pot, give it a go lovely results.

## **NOMANSLAND NEWS & EVENTS**

### ***ST. MARTINS VILLAGE HALL TRUST/NOMANSLAND VILLAGE HALL***

**Nomansland Annual Show; Report from our Chairman Mrs Tracy Chudleigh.**

Fine weather drew exhibitors and visitors alike to the show this year and the sunshine allowed everyone to make use of the new Community Seating Area in the Hall gardens.

It was with deep sadness that we learned of the passing of the Halls President, Mr Peter Powley just a few days before the show. A stalwart supporter and competitive exhibitor. It was Peter's wish that the show went ahead, so, in Peter's memory all profits were donated to the Looe branch of The Royal British Legion. The number of exhibits were up this year and the judges agreed that the standard was high. Overall best in show was won by Karen Pengelly for her cold porcelain sculpture of Japanese anemones. We would like to thank everyone for entering and everyone who helped make the show such a success, before and on the day.

#### **Trophy winners were;**

Chris Halls, Bridget Hawker, Andrew Chudleigh, Ken Rogers, Noreen Grenville, Phil Thomas, Tracy Chudleigh, Meriel Kitson, Carol Bryant, Anne Rice, Barbara Reynolds, Karen Pengelly, Glenys Ward, Brendon Lee Hickman, Lily Reynolds, Erin Reynolds and Maddie Dunn.

## ***THE PRODIGAL SON - THE CHOCOLATE VERSION***

(How many chocolates can you identify?)

Once upon a time there lived a younger son who thought he was a real smartie. He persuaded his father to sell half his property and give him the cash. He wanted to live life in the fast lane - real Quality Street stuff. So he took his share of the bounty and went to a distant town where he spent his money on revels, paid for lots of minstrels and music - the sound he liked best was Eminem's. His mates enjoyed spending his money. It was a life of real Turkish delight.

Soon the money ran out. The son had nowhere to stay. He slept in the open air, looking up at the Milky Way. One night he saw Mars. There was nothing to eat except pigs' food. It was horrible, it wasn't even crunchie. Eventually he decided to go home. "I must be a real fruit and nut case", he said. "I'll work for my father".

His father was thrilled to see his son and ran out to meet him. "Your brother has come home", he said to his elder son, but he didn't want to discuss that topic. The father was so happy that there were great celebrations, and the younger son was the happiest man in the galaxy.

***Extract taken from a sermon given by Bishop Roy on 21st March 2004***

### ***OOPS***

A MINISTER told his congregation, "Next week, I plan to preach about the sin of lying. To help you understand my sermon, I want you all to read Mark 17."

The following Sunday, as he prepared to deliver his sermon, the minister asked for a show of hands. He wanted to know how many had read Mark 17. Every hand went up.

## ***A PRAYER***

Lord, make me an instrument of  
your peace,  
Where there is hatred, let me sow  
love;  
where there is injury, pardon;  
where there is doubt, faith;  
where there is despair, hope;  
where there is darkness, light;  
where there is sadness, joy;  
O Divine Master,  
grant that I may not so much seek  
to be consoled as to console;  
to be understood as to understand;  
to be loved as to love.  
For it is in giving that we receive;  
it is in pardoning that we are pardoned;  
and it is in dying that we are born to eternal life.

## ***SILENCE***

Stretched supine seeking silence,  
slowly stealthily silence shimmers,  
serenely silence sunders surfaces,  
silence solidifies submerging self.

Sounds skitter surrounding silence,  
submitting sentience silence succeeds,  
sadly silence sensation steals,  
silence cedes to the bodies needs.

## ***HARVEST FESTIVAL WEEKEND***

Many thanks to everyone who contributed to Harvest at St Wenna's this year. There was a range of beautiful, interesting and informative displays by some of our local farmers, which drew very positive comments from our visitors over the weekend. The Celtic Harvest communion service on Sunday was very moving, and all the traditional Harvest hymns were sung with gusto. A dedicated team of church members provided and served refreshments throughout the weekend, and there was a good audience for the very enjoyable concert in church on Saturday evening. Trenode School provided an entertaining and thought provoking approach to consumerism with their 'need not greed' theme on Monday evening, after which the supper and auction raised funds for the church and, at the request of Trenode's School Council, for Shelterbox's Haiti appeal.

## ***REMEMBRANCE SUNDAY 13<sup>TH</sup> NOVEMBER***

Please gather at 10.50 for the Act of Remembrance at the Morval War Memorial (on the bend in the A387 near Metherell Gard). Wreaths will be laid and our bugler will mark the two minutes' silence at 11am. A Remembrance Service will follow in church. This year our Acts of Remembrance will be led by Rev'd Joachim Foot.

## ***TRENODE C OF E VA SCHOOL***

The children have enjoyed learning songs from “A Combined Harvest” for our Harvest Festival this term. It is a joy to celebrate with the children the riches of nature and the children have thoroughly enjoyed singing the catchy tunes. They have decided that the money that they raise at the Harvest Festival will be sent to the Shelterbox Appeal for Haiti.

Thank you to everyone that dropped off clothing for us to recycle. We raised an amazing £112.

We will be holding our annual Foundation Stage Open Afternoon on Wednesday 16<sup>th</sup> November at 2.00pm. This is an opportunity for families of children that are due to start school next autumn (September 2017) to come find out what we have to offer. If you know anyone with a child of this age please let them know so that they can come along and join in the fun.

As we look forward to Christmas there are a number of events to which you are very welcome. Christingle will be held at St Wenna’s church on Monday 5<sup>th</sup> December. We will also be performing our Nativity on Wednesday 14<sup>th</sup> December in the School Hall.

To find out more about what is happening at school go online and find us at: **[www.trenode.cornwall.sch.uk](http://www.trenode.cornwall.sch.uk)**.
