## **Widegates Reading Room and Village Hall**

The Committee wishes to place on record their grateful thanks to Mr. Mike Willmott, who recently has had to resign due to his work commitments. Mike has been a valued member of the team and will be sorely missed.

As the Committee is now down to 7, are there any volunteers in the Parish, who would like to join us? If you are willing to do so, please contact our Chair, Mrs Ann Chudleigh on 01503 240470 for an informal chat.

A date for your diary, we are hoping to arrange, (with the Parish Council's permission), a Village Fayre on the Green from 2-4pm on the 1st September 2019. with Cornish cream teas, raffle, children's games, and stalls highlighting the activities going on in the Parish.

## **Sing for your supper!**

On Wednesday 21<sup>st</sup> August, everyone in the parish is invited to a special event on Widegates Village Green. Starting at 6pm, there will be an opportunity to sing your favourite hymns or worship songs, accompanied by keyboard and a worship band. Following the singing, there will be a shared supper, so please bring whatever you like or take pot luck. Song requests in advance to [morvaleditors@outlook.com](mailto:morvaleditors@outlook.com) or 01503 240218, or ask on the day.

During the afternoon, from 4pm, there will be craft stalls and refreshments in the hall. In the event of rain, the singing and supper will continue in the hall.

## **Ladies at Leisure**

Sunshine, boat trip, ride around Fowey, good company and lunch were all enjoyed in June's trip to Fowey. July's outing was to Plymouth Theatre to watch the production of Calender Girls. A coach trip to Exeter is planned for September with visits to the city centre and Ikea, if you wish to join us on this or any other of our monthly jaunts or if you have any ideas for day trips or visits to places of interest please give us a call Jane 240393, Barbara 241169 or Helen 241148. We look forward to hearing from you.

## **Craft**

We have been busy painting the wooden poppies ready for November's display on Widegates Village Green along with lively chat and tea and biscuits the they will soon be finished. July's get together was spent discussing future craft evenings and looking even further ahead to Christmas and creating table displays. Though there is not a craft evening at the end of July normal service will resume on the second Tuesday of August at 7 p.m. so come along, bring your craft ideas or try out some new ones.

## **Planet watching (and meteors)**

For those interested in looking at the night sky, Jupiter and Saturn are well placed in the Southern sky right throughout August (here's where they are, 9pm mid-month). There's also the Perseid meteor shower in the north east (max 12<sup>th</sup> Aug), best seen late evening

# **Morval Neighbourhood Development Plan Project**

## **What is it?**

A Neighbourhood Development Plan is a means by which residents of a particular geographical area can express their views regarding housing, business and other developments within that area. Once adopted, the Plan has a legal status which can influence the outcome of planning applications.

## **Why do we need it?**

Parishes that already have a Plan in place have been able to resist inappropriate developments. Without a Neighbourhood Development Plan, local views have little standing when planning applications are considered by Cornwall Council.

## **Who is involved?**

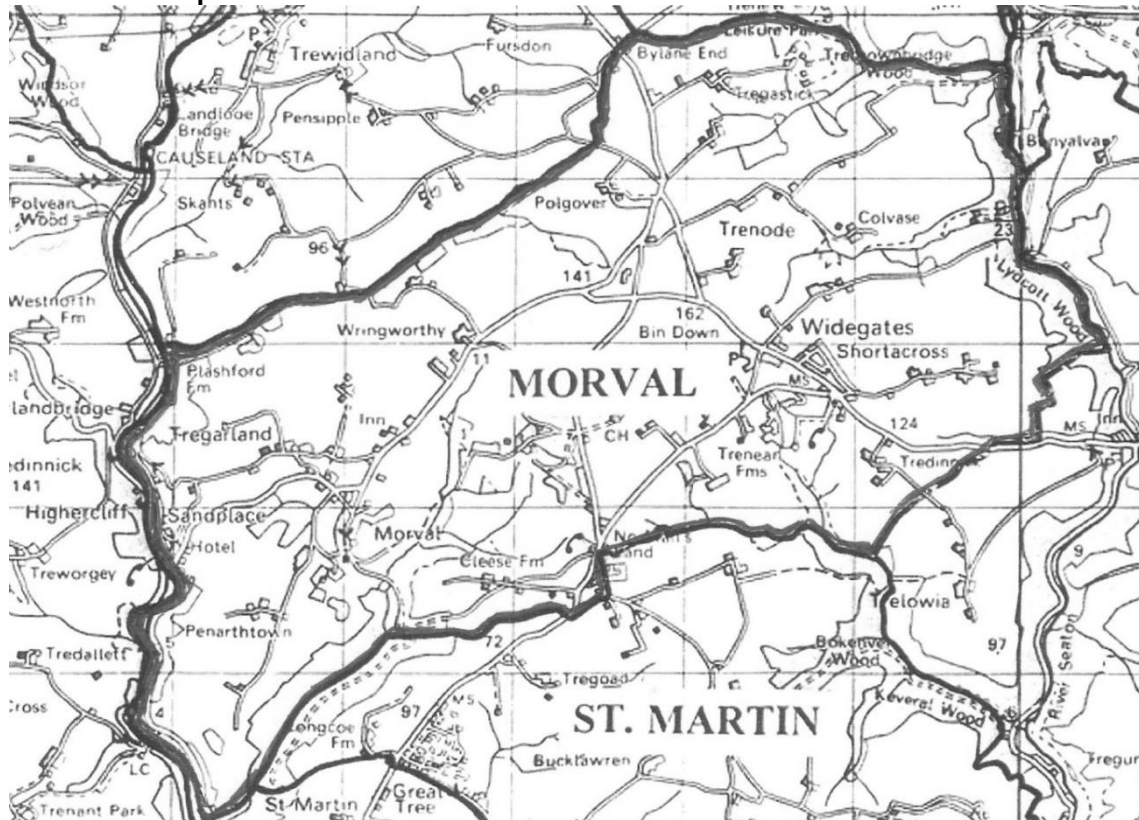

Whilst the majority of recent building has been in Widegates, it is essential that residents of all parts of the parish engage with this project, as resolutions passed and policies adopted will apply to the whole parish. So ideally, everyone in the parish should be involved, but with a committee to hold everything together. Following an open meeting in June, a committee of 16 residents has now been formed.

## **What happens now?**

The project will take several months, as a number of stages must be followed. An initial idea of the opinions of residents must be gained in order for the project to be formally registered. Following this, the Plan needs to be written in detail, approved by Cornwall Council and then adopted by a majority of residents in order to have legal standing. Detailed feedback from residents is essential throughout the process. Opinions that are not directly relevant to the plan but still important will be passed to Parish Council, so all feedback is valued.

The Plan is based directly on the views of residents, so please use this opportunity to have your say on how you would like to see our parish develop. A more detailed questionnaire will be circulated once the ideas expressed in response to these initial questions have been analysed, so please answer as fully as possible. We have to be able to demonstrate a 'significant response' in order to move to the next stage of the project.

We are providing four copies in Outlook for each household, to allow everyone to have a say. If this is not enough, you can give a 'family response', in which case please indicate which ideas are from which age group, as we need to hear from all groups in the community, including children. You can also respond by email using the link on the parish website, or you can pick up extra copies from the collection points.

Please return the forms to one of these collection points:  
Tredinnick Farm shop, Deb's (32 Morview Rd), Bindown Stores,  
Trenode School, St Wenna's Church, Polrean Hotel  
Or by email: [NDP@morvalparishcouncil.org.uk](mailto:NDP@morvalparishcouncil.org.uk)  
Need help? phone Mick Webb 01503 240243  
or Deb Kirkland 01503 241064

**Please reply as soon as possible, and definitely by 23<sup>rd</sup> August.**

From these initial responses, common themes will be identified, in order to produce a more detailed questionnaire. An update will be given in October's Outlook, and information will be available on the parish website and a dedicated Facebook page. In the meantime, all residents of the parish are welcome to attend committee meetings, the next being at 7pm on Thursday 5<sup>th</sup> September at Widegates Village Hall
