Morval Area Play and Community - Park Group

So, as we can all see, the houses are growing, and it won't be long until we see the end result of whatever the developers are handing us. We are already aware that we will need significant funding to achieve the best for our young people and the Parish Council continues to hold large funds so we can obtain match funding to do this. But every penny we raise can be doubled if we have it in advance of funding applications.

This year we are planning to start events again from a tree planting to a street party. We need the whole community to rally around and get the funds in place for a usable park.

Our first event will be a tree planting on 22nd of February, starting at The Old Vicarage at 10am. Each child of the village can also collect a tree there that day to plant somewhere special to them. Please bring a pack lunch, digging tools and strong waterproof clothing and footwear. Light refreshments will be provided.

Christmas Tree Festival

Many thanks to everyone who contributed in any way to making the Christmas Tree Festival such a success again this year. We had fewer stewards than usual, but a devoted few made a tremendous effort. The Dedication Tree at the front of the church has remained in place until Candlemas, which marks the end of the Christmas season on 2nd February.
