Morval Parish End-of-Year Report (Part 1)

U

Subject: Christmas Sparkle Flower Festival

Effort Grade: A+

Comment: Needed (1) a highly motivated group (2) to produce a superb spectacle in St. Wenna's (3) providing something good in contrast to the misery of Covid19. All three achieved !! Well done!

T

Subject: Neighbourhood Development Plan

Effort Grade: A+

Comment: This project has worked well within a tight schedule and deserves a good grade from the exam board, with participants contributing and working well together. Good, focused work !!

## Morval NDP

The public consultations (see photo of one of the sessions) have concluded, the responses (and thanks to all who did) have been forwarded to the NDP consultant for appropriate inclusion, and the main Morval NDP document is now complete.

The next task, which is well underway, is compiling and completing all the supporting documents needed, and then it will be submitted (hopefully by Christmas) to Cornwall Council for them to send it to the Independent Examiner, who will scrutinise it. When that is done, Cornwall Council will organise the Morval Parish NDP Referendum (which will include the possibility of postal voting, if required).

It is at this time that the NDP Steering Group require one final act from parishioners:

vote **Yes** in the Morval Parish Referendum

## The Christmas Sparkle Flower Festival

What an amazing spectacular event this turned out to be! Under the determined guidance of Sue Aunger, the ladies of the parish took over St Wenna's Church for the days preceding the Three-Day Festival, and truly transformed this beautiful church into an amazing floral wonderland.

It was conceived many months ago, with these key objectives:

- To ensure that 2021 was not consigned to the history books as nothing other than unremittingly bad, due to the Covid pandemic
- To hold it as late in the year, so as to be as safe as possible
- To provide something to enthral people and raise their spirits

They achieved all of these, so huge thanks to all involved, as hopefully the images in the following pages will demonstrate
