For the first time in many years, Polraen Country House at Sandplace in the Looe Valley is opening to non residents for evening food and drink from 29 May for the summer season. A relaxed informal atmosphere with home-made blackboard specials, light bites and platters to share will be served Wed-Sat evenings from 6.30 pm. The Polraen Bar has been refurbished and the new flexible menu takes account of appetite and budget aiming to become a popular choice for the local community as well as visitors to Looe and surrounding areas.

## ***PARISH NEWS***

Hello Everybody

**Annual Parish Meeting:** As promised in the last issue of Outlook, the Chair's report from this year's Annual Parish Meeting:

"I would like to thank all my fellow councillors for their support throughout the year. The expertise of the portfolio holders and the dedication shown has allowed the council to resolve some of the problems that have arisen.

There have been some very positive moments during the last year.

The development at Shortacross is now complete providing some affordable housing within the parish. Councillor Hunt and Councillor Harding accompanied me at the invitation of Hastoe, to the official opening. We were impressed by the quality of the build. There is likely to be an application for an increase in housing adjacent to the development. Consultation continues to be on going for this and it is likely that there may be additional benefits to the parish at a future date if the second phase goes ahead.

The asset transfer of the "Village Green" to the parish remains ongoing and hopefully will come to a successful conclusion.

It was approved by the council at its last meeting that an application would be submitted to Land Registry to register a small strip of land lying between the public highway and the entrance of Trenode Lane. If this application is successful it may assist with the sale of the lane which could lead to the easing of traffic problems within the immediate area.

The council are being optimistic and are hoping that another approach to B.T. during this coming year may give success so that the land adjacent to the B.T. exchange can be developed to provide the parish with a further open area that can be enjoyed by the community.

The capping of the water well and trough within the parish field has been completed and safety fencing has been erected.

Finally I would offer thanks to the following people for their support shown to the parish during the previous year.

*continued on page 3.....*

## ***PARISH NEWS CTD***

Thank you to Dr Meriel Kitson for continuing to edit and publish the Outlook Magazine and the team of volunteers who assist her.

Thanks to Mr Roy Martin for his continuing efforts in maintaining the "Village Green". I believe that the whole parish appreciates the results of his dedication. The council has been delighted to assist with the purchase of plants and materials so that he has been able to provide a pleasant area that can be enjoyed by all members of the parish.

Looe Golf Club for their part in enabling a successful lighting of the beacon for the Jubilee celebrations. I would like to thank Councillor Richard Pugh, who is retiring in May, for his attendance and guidance at our meetings and the support he has given over several years. Lynnette Sutton, the parish council clerk, for her patience and perseverance throughout the year. Thank you to those parish councillors who are retiring and not standing again at the election in May. The experience that they have will be sadly missed as will the wealth of knowledge stretching back over many years. To those councillors who are standing again, many thanks for your input and, hopefully, you will be successful and will be part of the council again in May.

### ***Councillor Clive Pearn"***

**Local Elections:** The recent election has resulted in a new Cornwall Councillor for the parish, Councillor Jim Candy. Despite being very busy with training for his new position, Councillor Candy attended the recent parish council meeting and explained how he is keen to represent the area well.

After many years of commitment, Councillor Harold Gilbard retired from the parish council. The parish council wish Harold an enjoyable retirement. Harold's resignation leaves a vacancy on the council that now needs to be filled as follows:

In accordance with the Representation of the People Act 1985 s21 920 b), the Parish Council has been instructed by Cornwall Council to fill the vacant seat by co-option at its meeting to be held on **Wednesday 5<sup>th</sup> June, 2013**. Applications are invited and should be sent in writing to the

Clerk at the address below before 5.00 pm on **Monday the 3<sup>rd</sup> June, 2013.** For further information about the role of a parish councillor, and the co-option process please contact the clerk. (contact details inside front page)

**Neighbourhood Plan:** At its recent meeting, the council agreed that Councillor Kim Spencer would lead this piece of work. It is planned that some public meetings will be arranged across the parish so that local people are able to contribute towards the shaping of the parish in the future via the plan.

**Traffic Speed:** The council is aware that currently, due to the diversion into Looe, residents have some concerns when negotiating the main road through Morval. The council is working hard to help reduce this problem by obtaining agreement from Cornwall Council for temporary speed reduction signs.

### ***CHURCHES TOGETHER LOOE & DSITRICT***

May Weekend - Visit of Bishop of Truro, Rt. Rev. Tim Thornton and Rt. Rev'd Steve Wild Chairman of Cornwall Methodist District, to Looe and District.

On Saturday 4th May Bishop Tim and Rev'd Steve arrived in Looe, at the start of what proved to be a visit filled with laughter, fun and worship. In a busy schedule that included opening the May Fayre in East Looe, enjoying the stalls, visiting Cornerstone - the charity coffee shop run by Churches Together and other volunteers, lunch at Riverside United Church, the Bishop and Rev'd Steve managed to dance round the maypole a few times! Look out for the photos appearing soon. And our very own priest Rev. Philip (Sharp) managed a twirl or two. After a walkabout in East Looe and a visit to Tregertha Residential Home, the day ended with a quiet celebration of Vespers at Sclerder Abbey with Deacon Peter Skoyles and the Sisters there. A contemplative end to a truly united day.

### *Churches Together Looe & District continued.....*

On Sunday 5th May the day began with a United Service at St. Martin's, Looe, presided over by both the Bishop and Rev'd Steve, who also gave a sermon each. Double value! Deacon Peter shared the intercessions and Rev. Marilyn Elliott read the Gospel. The church was packed, the congregation comprising worshippers from all around the district. The voices raised in the last hymn must have been heard reverberating around the surrounding countryside. After the blessing of the new ramp for the disabled outside the church, there followed a Faith Lunch in the Church Hall - an amazing spread of food offered by many generous people—the noise levels there also indicated a real feel of community and fellowship. The day ended with a visit by the Bishop and Rev'd Steve to Hill Crest Residential Home, and then a casual stroll across Hannaford Point in a Creation Walk led by Rev'd Andrew Hill the Methodist Minister from Riverside United Church and District. As the evening drew in, and the sun going down, we all thanked God for such a wonderful weekend of Christian witness.

Thanks to EVERYONE for all the hard work involved in making this a very special weekend.

## ***TRENODE C OF E VA SCHOOL***

We have had a very positive start to the Summer Term. All of the children have been enjoying their weekly cricket sessions and the younger children have started swimming. These lessons, along with a number of after school clubs (netball, football, multiskills and triathlon clubs), certainly will get us all fit and active. We welcome Mr Jones to the staff for two terms and congratulate Mrs David on the safe arrival of her baby at Easter. The children made a super effort with their entries for the Cornwall Spring Garden Show at Boconnoc – all their own work, and won a few cards. The containers are now making the school look very pretty.

Once again can I remind you that the annual Flower Show and Summer Fair will be held on Friday 5<sup>th</sup> July in the afternoon. The schedule of events has been printed and will let us all know what we need to prepare! As the Flower Show is combined with the Summer Fair we are hoping for fine weather. Please come along and support us in this unique event. To find out more about what is happening at school go online and find us at: [www.trenode.cornwall.sch.uk](http://www.trenode.cornwall.sch.uk).

## ***MESSY CHURCH***

The children thoroughly enjoyed decorating their pebbles at the April session and by the time you read this they will have laid their cross in the school garden, planned for the session on May 24<sup>th</sup>. They also designed beautiful hand outlines onto fabric and I have been busy finishing the wall hanging displaying all of them holding hands around the Messy Church logo. Their banner made its first outing to St Wenna for the Family Service on the 12<sup>th</sup> May when many of the children read their prayers out as part of the service. Thank you so much to those families who came along and joined in the celebrations – it was lovely to have so many children participating. The banner will also be displayed in the Churches Together tent at the Royal Cornwall Show along with some examples of the children's wonderful crafts so do pop along and see it for yourself. The next Messy Church session is on June 28<sup>th</sup> 3.30-5pm at the school and is the last one before we break for the Summer Hols so do please come along and join in some fun, creation and celebration! For further info please contact Helen Priestley Tel: 241188, email: [hpriestley.78@btinternet.com](mailto:hpriestley.78@btinternet.com)

## ***WILD GEESE***

I saw the wild geese flying,  
And the barren sky seemed to magnify  
The heartbeat of marvellous wings;  
Wings, curved and wide, that would crown  
The softness of each slanting beam.

The sun, his glory dying,  
Glided westwards to gild and glorify  
The earth, graced by countless wings;  
Wings that flew the sunset down  
With music fall and peace supreme.

The wind, her music sighing,  
Sang out a grave lament to sanctify  
With every beat, how those wings  
Strike stone, metal, flesh, and drown  
All men's glories to but a dream.

I heard the wild geese crying  
Their memorable wind-songs that mystify,  
And felt the rhythm of wings,  
Wings that beat at each sundown  
Desiring that horizon gleam.

## ***REPORT FROM CORNWALL COUNCILLOR JIM CANDY***

I am honoured to have been elected as the Cornwall Councillor representing the Trelawny division which includes Deviock, Lanreath, Duloe, Pelynt and Morval. I would like to thank Richard Pugh, who worked so tirelessly for the area, and hope he can catch up with his business and family commitments, and enjoy a happy retirement from public life.

At the time of going to print, there is no clarity on any potential administration at County Hall, except to say it will be some sort of political alliance. I have been made aware of several issues whilst I was electioneering, and have had housing and other issues since May 2<sup>nd</sup>. I will deal with these as soon as possible, but I may take a bit of time to familiarise myself with the system and officers. I will endeavour to give updates on road issues, including St Martin's/Sandplace Road.

Haydon, my son, has upgraded his Facebook status from "General Dogsbody at Trierieve Farm" to "General Manager", so I will be able to commit sufficient time to my duties. My contact details are below, please note as a Christian I try to keep Sunday special, but will of course deal with urgent issues.
