

Morval Neighbourhood Development Plan

Survey

Following the Initial Survey last year, and the analysis of the results, the Steering Group has been studying the main issues raised and considering possible solutions to some of the problems. To enable us to focus on specific policies for our neighbourhood we now need to ask for your choices and preferences on many detailed points and we are distributing this new survey form.

We appreciate that this form is much longer than the first one and will take longer to complete but please try to find the time to fill it in. The information we gather will enable us to create a first draft of the Neighbourhood Development Plan itself which can be circulated for your review and amendment before submitting it for official examination. If it passes that examination the Plan will then be the subject of a referendum for everyone to give their final judgement.

Remember it is your opinion that matters – please fill in the form!

Completed forms may be submitted for collection at:

Tredinnick Farm Shop

The Polraen Hotel

Bindown Stores

St Wenna Church

Deb Kirkland

The final date for submission is **Friday 31st January.**
